Keeping Safe

The Governors and staff of Vyners School fully recognise the school's responsibility for safeguarding children, but also acknowledges the wider role that parents and students themselves have in keeping safe. Students, parents and other stakeholders are reminded of the names of the Designate Safeguarding Lead and Deputies in school;

Designated Safeguarding Lead	Deputy Safeguarding Leads	Local Authority Designated Officer (LADO)
Alison Foster	Liam O'Connor & Tara Ashe	Hannah Ives - Contact: Civic Centre tel: 01895 277463

Our Child Protection Policy can be found [here](#).

If you need to make a report regarding exploitation or online criminal activity, click the CEOP icon below:

Excellence

Unrealistic beauty standards

Misogyny

Body shaming

Promotion of materialism

Feelings of inadequacy

Misinformation

Social isolation

Self esteem issues

Sexulised content

Cyber bullying

Toxic masculinity

Vyners School

- **Keep lines of communication open.** Work with your child by creating healthy boundaries in terms of screen time and types of social media. Discuss safety related to maintaining privacy and avoiding risky trends.
- **Be informed.** Know who your children are following, the content they are viewing and the impact it may have.
- **Talk about what's within your comfort zone.** Discuss ground rules with your child about posting, liking others' posts, how and which comments should be ignored, and when people should be blocked.
- **Model positive behavior.** Demonstrate kindness when talking about yourself and others. Children demonstrate learned behaviours; body confidence and how you view the world will be mirrored by them.
- **Be confident to challenge your child's views.** For this you need to be fully informed.

Students have chosen their final option subjects.

Year 10

GCSE content is in full swing.

The level of difficulty increases.

The student are now 'young adults' who need to take ownership of their own learning.

They are now studying for 'themselves' not because teachers are asking them to do work!

Revision

This is not easy!

Revising takes self determination, effort and energy.

We must help our students develop the above to become effective in their revision.

Why is Year 10 revision important?

1. Reinforcement of Learning
2. Identification of Knowledge Gaps
3. Better Performance in School
4. Opportunity to Demonstrate their Knowledge
 5. Improved Grades
 6. Confidence in Learning
7. Opportunity to Learn New Things
8. Preparation for Tests and Exams
9. Improved Long-Term Memory
10. Sense of Accomplishment
