Dear Parent/Carer

**Subject: Vyners Learning Trust Maths Challenge - Ruislip High School –
18 October 2023**

Your son/daughter in year 7 has been selected to participate in the Vyners Learning Trust Maths Challenge. This Maths Challenge focuses on collaboration and competition to motivate students, by combining a series of activities including problem-solving tasks linked to the maths curriculum.

Students that have taken part in these types of challenges have enjoyed them and also found that it makes maths more intricate and enhances their problem solving skills.

This is a really exciting opportunity for students to work together in a team and compete against other schools in the trust. There will be 5 different tasks that the team will work through including:

- 24 Game
- Problem solving (two rounds - including questions in the style of the 1% club TV show)
- UKMT (Junior level)
- Financial Maths
- Bonus Questions for prizes

Date: 18 October 2023

Time: 1-3:15pm

Location: Ruislip High School, Ruislip

We will leave school at 12:20pm and hope to return around 4:10pm. We will take the students by taxi with a teacher as chaperone to Ruislip High School. Students will be dismissed from the top gate on their return to school.

Students must wear their Vyners uniform. Students will need to eat their lunch during break. Snacks and drinks will be provided, but students should bring a bottle of water with them.
