

Year 8 Update – 08.09.23

Good Afternoon Parents and Carers,

I hope you are well. I would like to congratulate the students on settling back into the school well. I look forward to another positive year!

Timetables

As you can imagine the timetable can be very complicated. There has been some teething issues for Year 8 which have now been resolved. Students will be given a new timetable today with effect from Monday. This will be B Week. We are hoping to hand out a mini timetable version of this too, during next week. I encourage students to ensure they know which lessons they have and are prepared for that day with the relevant books and equipment.

Co-Curricular Fayre

This will take place on Wednesday 13th September at 3pm in the school hall. Students have been informed about this and they can use this opportunity to find out about all the clubs the school has to offer. Sports Clubs do begin on Monday 11th September. Details will also be on the school website to access. They can alternate clubs if some are on the same days. You do not need to sign up, go along and a register will be taken.

Safeguarding Information

I have attached a flyer on 'What Parents and Carers need to know about Live Streaming'. Please ensure you have read this to ensure you child is being kept safe online.
