Dear Parents and Carers

Subject Year 8 & 9 Mini Options Evening – Tuesday 23 January 2024

I hope you are well. This is a reminder about the Year 8 into 9 Mini Options Evening for both parents and students on Tuesday 23 January 6.30-7.30pm. This will take place in the school hall.

Please can I ask you to park off site and walk into school through the bottom gate of the school and walk up the driveway and into the quad, just after the sports hall. You can then walk up to the hall from the quad. The school hall is where the event will take place. Parking is very limited on site. Please sign in on the register when you arrive.

This will consist of myself and Mr Newbey talking through the mini options process for Year 8 into 9 such as what the curriculum will look like, the optional subjects which are on offer as well as how to fill out the form. We will share all information with you. Just to note, the evening will not be an options fayre where subjects are presenting, this event is focused on the process as a whole. Students will be shown videos of the options process and what each option consists of during Tutorial time. These will be added to google classroom to refer back to and discuss with yourselves.

Thank you for your support with this and I look forward to seeing you on Tuesday.

Kind regards

Yours sincerely
