

Dear Year 10 Parents/Carers,

1. Attendance across Year 10 has started to become an issue and this week our attendance figure stands at 87.2%. This is unfortunately significantly below our school target of 95%. Whilst we are aware that there are a lot of illnesses going around at the moment, we would really appreciate your support in encouraging your children to come to school on the days when they are feeling mildly unwell, but are able to attend. If you are aware of any barriers preventing your child from coming to school, please do get in touch with us so that we can do our best to support your child. I have attached a slide to this email from the Y11 trial exam results assembly this afternoon demonstrating the importance of high levels of attendance for GCSE attainment.
2. Year 10's PSHE this week was focussed on online safety and our assembly was focussed on Mental Health.
3. This week's safeguarding snapshot is regarding social media. Please see below the link to the area of the website that contains further information.

I hope you all have a lovely weekend.

Kind regards,

Mr L Neville  
**Year 10 Leader**  
**Teacher of Physical Education**
