

Dear Year 11 Parents / Carers,

I'm delighted to write to you about the chance to attend a webinar for parents of students in Year 10 & 11. This webinar will take place on **Thursday 7th March 2024 between 7-8pm**. It will last roughly 45 minutes with an opportunity to ask questions at the end.

This is the same webinar that was previously offered to parents, however the company has informed me that the last webinar sold out and therefore there were some unfortunate parents who were unable to attend. If you were unable to attend the last webinar but would like to book a place this time around, then please see the below details.

The topic is "**The Secret to GCSE Success**" and will be delivered by Emily Hughes, author of 'GCSE Survival Guide for Parents', founder of the Parent Guide to GCSE and a regular media commentator on teen parenting issues.

The webinar will cover:

- Useful resources to support their child's revision
- Revision tips and strategies
- The role of parents in the GCSE process
- Tips for getting your child motivated
- Q&A at the end of the session

This is a great opportunity for you to find out what support you can offer at home to reduce stress and maximise performance during the crucial GCSE years.

To sign up, click on this link:

On signing up you will receive a link to your email that will give you access to the session. If you can't make the session live, then by having a ticket, you will get access to the replay link soon after the session has finished.

Kind regards,

Ms Hockley
