

Dear Parents and Carers of Year 11,

Please find below some important notices:

Statement of Entry:

All students have received their statement of entry for the summer exams. This document outlines which exam the student will be sitting, when the exam is and which tier. Please look over this document carefully checking that the exams are correct, the tier is correct and that you are studying that subject. If you have any concerns please contact the exams office at Vyners after the Easter break. This can be done in person or via email at exams@vynersschool.org.uk

Students also need to come to the Exams Office on **Monday 15th April** to make sure we have time to resolve any issues before the amendments deadline on that Thursday.

Revision:

With the Easter break, comes a two week opportunity for students to work towards their exams, and get into good revision habits. All students have their own individual revision plan to work on via Google Classroom, and have had many sessions on study skills. Please ensure that you speak to your child and run through their plans for the break, to ensure that they know what they should be doing to prepare for the upcoming GCSEs. I have attached an article from the BBC regarding top revision tips [\[here\]](#).

Prom:

Prom tickets will be released after Easter. Please note that attending Prom is a privilege, and if students miss their C3s, Headteacher's Detentions, or if their behaviour deteriorates between now and their exams, they will not be able to attend. I hope this will not apply to any students this academic year.

Sixth Form Applications:

We are processing applications and we will be sending offer emails after the Easter break.
