Dear Parent/Carer

Subject Year 13 Mathematics calculator order

This letter is to make you aware that **if** your son or daughter needs a new calculator for their Maths A-Level (for example, their existing calculator is lost or broken), you can order a new A-Level calculator through the school sQuid system.

The FX-991CW advanced scientific calculator will cost £25.19 and the FX-CG50 graphical calculator will cost £83.94. The orders are now open, and will close on 29 September 2023.

If your child is eligible for the 16-19 school bursary, the school will purchase the Fx-991CW calculator for your child. Please contact Ms Alonso if you believe this might be the case.

If you have any questions, please do not hesitate to contact me.

Best wishes

Yours sincerely
