**Vyners School**  
Striving for Excellence

Dear Parent / Carer

**Subject: Science Revision Guides for Key Stage 3**

We are offering the opportunity for Year 7 students to purchase discounted revision guides for Science. This will help students prepare for the end of year KS3 exams in year 7 and in year 8, by offering revision notes and a workbook.

Purchase of the revision guide is entirely optional. This book will, however, provide invaluable support to your son / daughter as they prepare for their examinations. The guide contains a revision section covering the subject matter covered in class as well as exam style questions.

Should you wish to purchase books via another route (WH Smith, Amazon etc.), please feel free to do so. However, as the School is able to achieve savings via a bulk purchase, we were keen to offer the guides at a discount to our parents, the price offered is **£4.00 opposed to the RRP of £10.99.**

All purchases should be made via sQuid, our online payment system. Please log onto the system ([www.squidcard.com](http://www.squidcard.com)) and select the 'school trips and offers' purse. The Science Revision Guide will be clearly marked as awaiting payment. An emailed receipt will automatically be sent to you by the system once payment has been made. Please take care to make the correct purchase as the School will be unable to offer refunds for incorrect purchases.

Please note that the deadline for purchasing any extra resources is **midnight on 30<sup>th</sup> April 2024.**

Yours sincerely

Ms G Holt  
Subject Leader for Science
