Dear Parents and Carers,

### **Subject: Important Updates**

#### **Student Timetable Changes:**

We are delighted to be able to inform parents, carers and students that all areas of the school, including all classrooms, will be open from **Monday 6th November** onwards now that the RAAC related issues have been resolved. Updated timetables will be issued to all students prior to lessons commencing on Monday morning.

The timetable changes will be shared on the morning of **Sunday 5th November via the Edulink App**. We would ask that all parents and carers check that their child has noted the changes before arriving at school on Monday morning. Students who were displaced from tutor rooms due to the RAAC issue should return to their original tutor bases as per the start of the year from Monday morning onwards. A full list of tutorials and rooms are listed below. Thank you once again to all parents for their support with this matter.

#### **Sixth Form:**

Firstly, thank you to everyone who attended the **Sixth Form Open Evening** this week. The evening was a real success, and it was a pleasure to see so many Year 11 students. All the information, including the Options Brochure and application process can be found [here](#).

#### **Art and Photography Examinations:**

The **Year 11 Mock Examinations for Art** will take place on Wednesday 29th November, and Thursday 30th November. The exam is the final part of their coursework which is 60% of their final grade so attendance both days is vital. **Photography** will be Tuesday 9th and Wednesday 10th January which is also finishing off their coursework. More information will be explained directly to students in their lessons, and all information can be found on Google Classroom. If you have any queries, please contact your child's individual teacher.

#### **Edulink:**

I have attached key information on how you can access your child's homework assignments. Please read through the slides carefully and follow the instructions.

**Exam Boards, Past Papers, and Trial Exams:**

Parents have queried where they can find information regarding **Exam boards**. Please find the attached document [here](#). For **past papers** to help your child's revision, the website [revisionworld.com](http://revisionworld.com) is a great resource. I have hyperlinked the page which focuses on GCSE past papers for your perusal.

Again, please find the whole **Trial Exam timetable** for Year 11 [here](#).

**Safeguarding Snapshot:**

Finally, please find this week's **Safeguarding Snapshot** [here](#).

I hope you all have a wonderful weekend.

Best wishes,

Ms Hockley
