

Dear Parents and Carers,

I hope you are all well and looking forward to the weekend.
Please see the following notices:

Behaviour

I would like to congratulate the majority of the students in the year group as the last two weeks have been considerably better in terms of behaviour and good choices. I hope this continues as I am very proud of the year group as a whole.

External Assembly - Mindfulness

On Thursday 16th May Period 1, Year 8 will be involved in an assembly revolving around Banter v Bullying which is extremely important that students are aware of the difference between the two. I am very much looking forward to this and the benefits this should have on the students' learning. It is also Mental Health Awareness Week next week so the timing is excellent. There will be some opportunities to get involved in some activities too as a result of this.

Uniform

Students must remain in perfect uniform. As it starts to get warmer in terms of weather, students can remove blazers in lessons but should be wearing them throughout school otherwise. If they wear a grey jumper, these should be removed in the first instance before a blazer. Mr Mullings will make a decision in regards to really warm days and any uniform allowances.

I hope you all have a lovely weekend in the sunshine!

Kind regards,
