**Tea, Toast, Teachers:**

The Science department welcomed well over 150 students in for Tea Toast and Teachers on Friday morning before the Biology exam. The nerves were riding high in some students, however after a cup of tea brewed by Mr Brooks and some toast from Ms Holt they were quickly settled. Students brought in copious sets of revision cards and posters, showing the amazing amount of revision that had been done in school and independently. There were animated debates over possible questions and topics. Groups of students used mini whiteboards to peer teach topics to each other. The atmosphere was very positive and all of the Science staff were in to offer help and support. We will open up Tea, Toast and Teachers for every AM Science exam - So be there and try our delicious hot chocolate!

**Early Dismissal:**

Year 11 will be dismissed early on Thursday 16th May at the end of period 4. This means that they will be able to revise for their Chemistry exam Friday 17th May AM.

**Exam Timings:**

A polite reminder that all students need to be on the courts by **8.30 for AM exams**, and **12.30 for PM exams**.

Best wishes,  
Ms Hockley
