

Dear Parents/Carers

Re: Maths Easter Homework

The GCSEs are fast approaching and we as a department want to ensure your child has all the support and resources to reach their full potential.

In order to support your child over the Easter break, we have provided them with booklets to help them and us teachers analyse areas that still need further intervention. These resources are also available on Google Classroom if the need arises for you to have access to or print for your child.

We would really appreciate your support to help your child as follows:

- Encourage your child to complete the booklets to the best of their ability
- Either mark or encourage your child to mark their booklets (the answers will go live on Google Classroom on Monday 14th April at 8am)
- Complete the individualised RAG rated spreadsheet also available on Google Classroom and once completed submit by 22nd April (first day back after the Easter break)

All teachers have communicated with students on how to complete the spreadsheets, however if further clarity is required please contact the Subject Leader Mrs R K Gill on rgill@vynersschool.org.uk

Wishing you and your family a Happy Easter.

Yours sincerely

Mrs R K Gill
