

Vanguard Learning Trust

Letter to parents/carers re stakeholder feedback January 2026

Dear parents and carers

Vanguard Learning Trust is committed to ensuring that all students feel safe, supported and able to thrive in our schools. Your views are incredibly important to us, which is why we are asking you to complete a short survey this term on the theme of safeguarding. Your child will also have the opportunity to complete a version of the survey in school designed for students.

Listening to experiences and perspectives helps us to understand what is working well and where we can improve. The feedback provided will be carefully tracked both within your child's school and across all Trust schools. This allows us to spot patterns, monitor trends over time and make informed decisions that enhance the safety and wellbeing of all our students.

Responses to both surveys are anonymous and will be treated with the utmost care. Every piece of feedback makes a difference and contributes to improving the school experience for your child and their peers.

Please take a few minutes to complete the survey for parents and carers by [clicking here](#) or by scanning the QR code below. We would be very grateful if you could encourage others to do the same. The deadline for responses to this survey is 4pm on Friday 6th February 2026.

Thank you for your continued support in keeping our schools safe and welcoming for everyone.

Yours faithfully

Adam Walthaus
