

# Year 11 - Employer Mock Interviews

## VYNERS CAREERS BULLETIN

A huge thank you to the employers who generously volunteered their time for our Year 11 mock interviews during Careers Week. Your support provided students with invaluable real-world experience, helping them develop confidence, refine their communication skills, and gain insight into employer expectations.

The opportunity to receive constructive feedback from professionals was truly impactful, equipping our students with essential skills for their future careers. We deeply appreciate your contribution to their growth and aspirations.
