

13 March 2026

Dear Parents and Carers,

Subject: Arbor Parent Portal

As many of you are aware, we are moving from the Edulink system to the Arbor Parent Portal/App. **This will take place on Wednesday 18th March.** The vast majority of you have already logged in and set up an account.

I emailed the remaining parents who have not logged in with their details on 11th March 2026. Please check your email or junk folder for this if you wish to create an account.

This week, you will also receive a link from Google that allows you to view your child's homework. This is due to the Arbor App not linking with homework set through Google Classroom currently.

The Google Guardian system is automated and you are able to set it up so you will receive notifications. Once it has been set up, you do not need to do anything further. Please [click here](#) for instructions on how to set up Google Guardian.

As mentioned in the parent update two weeks ago, the move is intended to allow the school to streamline our services and make considerable savings that can be better spent on our students' education.

Best wishes,

Mr A Newbey
Assistant Headteacher
