Dear Parent/Carer

**Subject: Instrumental and Vocal Lessons**

At Vyners school, we offer all students the chance to learn an instrument. These will come at a monetary cost but a lot cheaper than private tuition outside of school. Please do think about enrolling your child for an instrument as there is scientific proof that it benefits the rest of their education and when they achieve the higher grades they gain extra points to put towards a university application. Whether your child wants to learn or already learns an instrument please click on the link below and fill in the form and you will be contacted when a space is available. **Please do not fill in this form if you already have lessons or signed up previously for lessons as you are already on our list.**
