Reviews of Marking

Review of marking.

A linked document will explain the options available to you regarding reviews of marking. You will be asked to specify which paper you want to be reviewed and all related costs and deadlines will be explained. This process can be sped up if you give permission in advance for the school to recall and review your paper. You can do this by completing this very brief [Google Form](#).

We can only accept cash or cheques for this process and times you can drop this off will be made very clear.

Clerical Recheck:

A clerical re-check of a marked paper will make sure that:

- they marked all the pages
- they counted all the marks
- the result matches the marks on the paper.

Your grade can go down as well as up.

Review of Marking:

- includes a clerical re-check
- you will receive a copy of the reviewed script as part of this service
- a second examiner will review the paper/recording again to identify genuine marking errors or unreasonable marking
- they will make sure all the marks are counted. Prices quoted are for each paper sat in the subject.

Your grade can go down as well as up.

Resits Y11

Year 11 resit opportunities: Resit exams will only be available in English Language and Maths this November. All other subject resits will be Summer 2027. If you wish to request more information about this process please email the exams officer on results day.

Students can request to resit GCSEs at Vyners but this will be done independently - apart from those required to resit English and Maths who will be required to attend resit lessons.

Students who leave Vyners should request a resit through their new school or college.

Collection of Certificates

Certificates arrive in school towards the end of the Autumn Term and should be collected from reception in the last two weeks of term - December 2026. We will put a notice on the school website when they are ready for collection.

If you are unable to collect your certificates personally, they may be collected by someone else, as long as they have a letter of authorisation from you.

Certificates will be disposed of after a period of time so please ensure that you collect yours!

If you have any further questions ...

Contact Mr Brooks, Mrs Coyle or Mrs Harvey.

Good luck in your exams - we hope results day is a day of celebration for you!
