

## Year 7 Update

08.05.26

### Revision

To support their progress with revision, students have now taken part in a revision assembly and special tutorial sessions focused on how to study effectively. Additional resources have been shared onto their tutorial Google Classroom.

During the assessment week, students will have time to revise during their period 2 lessons. Please ensure your child brings in any revision materials they have made at home (like flashcards or notes) to help them during these lessons. Having their own resources ready will really help them make the most of this time! Where 'catch up sessions' are timetabled, students will attend normal lessons unless they missed an assessment earlier in the week.
