Y10 Parents Information Evening

On Tuesday 6th October we hosted Y10 parents information evening. It was great to see so many of you there. Please find the slides attached [here](#).

Year 10 Options

We will not be making any further changes to options in Year 10 as we are over a month into the courses and this will have a significant impact on the students ability to pass the course. Any future requests for a change of option will be denied except in exceptional circumstances.

Hello Yellow - Mental Health Awareness

This week, our school community proudly celebrated World Mental Health Day by taking part in YoungMinds' **#HelloYellow** campaign, with students invited to wear an item of yellow to show that no one has to face their mental health alone. Embracing this year's theme "*Lived experiences heard: real voices, real change*" the main school assembly focused on the power of open communication and active listening. Students were given practical tips on how to talk about their own emotional well-being, as well as how to listen to and support others. We encourage you to ask

your child about what they learned in assembly and keep these positive conversations going at home!
