GENERAL NOTICES

Sixth Form Open Evening

Thank you to all the Year 12 and 13 students who were magnificent in their help at the Sixth Form Open Evening. The evening can only run smoothly with the help of students and their assistance in answering either subject specific or general questions, so a huge thank you to all the students involved. We have had some great feedback from parents and students visiting the school to let us know how great the student guides were and what a help they were. Thank you in particular to our Head Girl, Wemi and Deputy Head Boy, Jaskaran for their speeches to our prospective Year 12 students.

Young Minds Charity Cake sale

A huge thank you to Jaspreet Minhas, Phoebe Gardner, Phoebe Crawford, Ritika Ghai, Simran Mann, Kacey Chapple, Sienna Patel, Ella Ferri, Harriet Hickey, Rehya Deol, Jaya Patel, Mahnoor Khan and Bethany Thompson who all helped to organise and run a cake sale with the Year 13 Executive Team in the Main hall today, with the proceeds going to the Young Minds Charity.

YEAR 13 NOTICES

Progress Checks

Students will have received their progress checks this morning during tutorial. We ask that at this moment in time you pay close attention to the "Current Grade October" as this is where the student is currently working. If there are any issues or queries, we ask that students address this with their subject teacher in the first instance.

Exams Information

December trial exam timetables and topic lists can be found [here](#) on the website. Students will be on study leave during this time and will only be required to be in school for exams. More details on this to follow later.

Exam planning, revision and tutor time

Please remember, students received information about exam planning and revision before half term. All of the information can be found on the Year 13 Information Room and students tutor Google Classrooms.

Morning tutorials that are not in assembly will now be used for revision and all students will be completing a "Flashcard in 5". We ask that students come to the tutorial with blank revision cards to write on. Tutors will provide students with some revision cards if they do not have any. More details to follow in the Year 13 Information Room.
